

CAREER COUNSLEOR and JOB COACH MENTORING SERVICE

Career counseling = help getting jobs
Job coaching = help performing your best on the job

Sign up your school, business, organization, career center, economic development not for profit corporation or jobs program for this effective, exciting service.

Services:

- 10 on-line live webinars a month, 5 on getting a job, 5 on career development
The webinars address topics in a format applicable to everyone in a group.
- Personal Advice Sessions (one-on-one career counseling or job coaching)
The Personal Advice Sessions address specific job hunting, career growth, and workplace problems/issues for one individual and are private sessions.
